

**SUMMIT**  
COATINGS  
Master Painters

A graphic element consisting of a series of overlapping, curved brushstrokes in a rainbow spectrum of colors (red, orange, yellow, green, blue, purple) that sweep across the white background.

## ABOUT US

Summit Coatings is an established company with experience in all aspects of painting.

For over 30 years, we have been servicing and maintaining high-rise and strata units, commercial and industrial buildings.

We can offer you:

- All aspects of general painting
- Protective coatings
- Anti-graffiti coatings
- Texture coating
- Concrete/spalling repairs
- Non-toxic paint stripping

We are fully insured and members of the Master Painters Australia. Robin Ottowa (Principal) is a current member of the Master Painters Board.

## STRATA BUILDINGS

We can offer a comprehensive service for strata managed buildings. We respond to requests promptly and pride our business on being reliable.

- Our pricing is competitive and all inclusive – no hidden extras.
- We guarantee longevity of our work by spending extensive time on surface preparation.
- We only use quality paint products.
- We fully comply with OH&S requirements and are accredited by Trades Monitors.
- We offer full scaffolding services.
- Home Warranty Contracts and Work Method Statements will be supplied with each job.

We regularly communicate with Owners Corporation members to ensure that all issues and questions are dealt with promptly. Customer service is very important to us.

We are happy to attend Strata Meetings if necessary to discuss and inform the members about all aspects of our quotes.

# COMMERCIAL SERVICES

All our services extend to commercial properties and public structures.

- We have extensive experience with difficult access buildings and complicated projects.
- We have a 'Qualified Coatings Inspector' on our team.
- We offer full scaffolding services.

## ADDITIONAL SERVICES

- Professional colour consultancy.
- Building services, including small and large building and carpentry repairs.
- Water proofing.
- Full remedial services.

## TESTIMONIALS

“I have been associated with the building industry for the past 66 years, retiring as a Director of Kell and Rigby P/L in 1983. In my long experience, I cannot speak too highly of Robin’s own high ethical standards and his personal integrity. I can only compliment him and his tradesmen in the highest terms.”

A.L RIGBY, KILLARA

“Summit Coatings were appointed for the painting of structural steelwork and docking system... for Qantas Airways Ltd at the Qantas Jet Base. We found their work to be well above standard, and at all times performed in a highly safe, professional and timely manner....”

STRARCH AUSTRALIA LTD

“Your advice and assistance was indeed helpful to members of the Owners’ Corporation. We were impressed with the manner in which your team performed their work and would ask to pass on our thanks to one and all.”

NE NIDDRIE, CAMMERAY

“We were particularly impressed with the timely manner in which the job was performed, the excellent paint finishes on all surfaces, the polite, trustworthy tradesmen that you engaged and honouring the original job quotation from twelve months ago.”

BRUCE MCLEAN,  
JONAH’S RESTAURANT, PALM BEACH

## MAINTENANCE PROGRAM

Summit Coatings can offer maintenance programs to ensure the longevity of the painted surface in your building. For a small additional fee, we can include yearly inspections, regular washing of the surfaces and touching up of heavily trafficked areas (such as stairwells).

Ask us about our pricing schedule.
